While my dad was drunkenly talking to us when we were studying...

As a result, everything was taken care of halfheartedly?

As a result, you guys went home (ran away)

YOU UNFAITHFUL BASTARDS!!

After that, I was going to review everything I learned and go to sleep...

SNORE

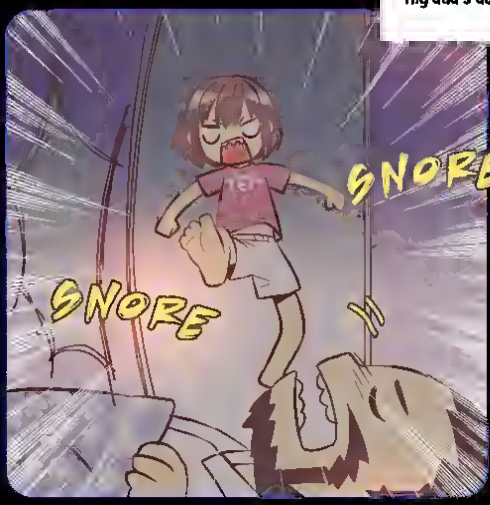
I COULDN'T SLEEP BECAUSE OF MY DAD'S SNORING...

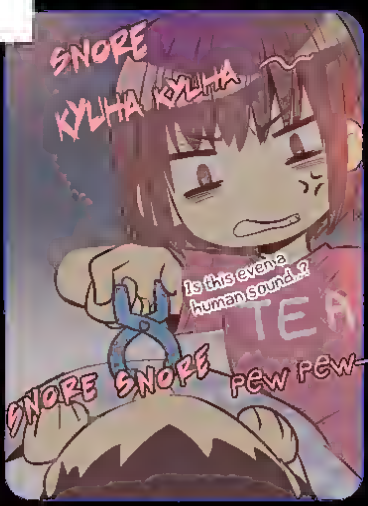
I tried to cover my ears with headphones but...

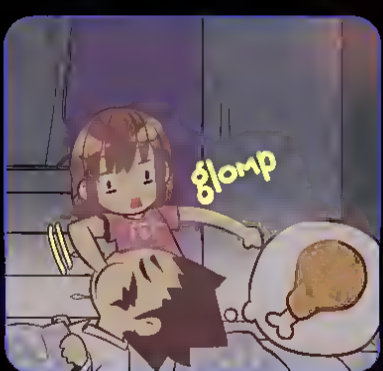
It was so noisy that I couldn't sleep.

Eventually I just opened my dad's door



And tried to block his nose with clips.





He bit pretty hard so I started bleeding...

Changmin woke up from my shrieking

and came to fuss over me...

Result

The light = the light is shining brightly
I pulled an all nighter
